RELIGIOUS REQUIREMENTS**

In order to participate in the CYO program of the Diocese of Harrisburg, a student must meet one of the following Religious requirements:

1. **PAROCHIAL SCHOOL:** Be a baptized Catholic, or a non-Catholic attending either a parish, consolidated, or Catholic high school. High school students are limited to the 9th thru 12th grades only.
2. **PARISH RELIGIOUS EDUCATION PROGRAM:** Only those participants who are baptized Catholics registered at the parish and attending religious education classes are eligible to participate in the CYO program. In addition to this, the student's parents or legal guardians must be registered, active members of a parish in which the student attends classes. **Non-Catholics attending Religious Education classes are not eligible to participate in the CYO program.**

Students must be enrolled in the religious education program for a period of one year before they become eligible to participate in the CYO program. Exception will be granted to Catholic students who transfer into the parish and attended religious education classes or a Catholic parochial school at the previous parish.

The individual parish will determine satisfactory attendance in the Catholic parish parochial school or religious education classes. If the person in charge of the school or religious education program states that a student is not attending satisfactorily, that student will become ineligible to participate in the CYO program until such time as the student's attendance is deemed satisfactory.
