History

St. Catherine Laboure Preschool was established in 1989 to serve the needs of our parish and school community's young children. We operate within the Christian atmosphere of St. Catherine Laboure School. St. Catherine Laboure Preschool is a non-profit program established with the support and enthusiasm of our pastor, principal, and PTO to serve the needs of our young children.

Our Program

Our preschool program is characterized by a holistic approach to the growth and development of young children. A child-centered curriculum, developed by the Diocese of Harrisburg, provides hands-on experiences in language exploration, art, music, science, manipulative math, nutrition, creative movement, and dramatic play. We strive to develop the needs of the "whole child" spiritually, socially, emotionally, cognitively, and physically.
