

## 2017-2018 TUITION PAYMENT INTENTION

\_\_\_\_\_ I/We have read and understand the Saint Catherine Labouré PreSchool Tuition Policy.

In order to facilitate accurate record keeping, each family must report their intention as to how they will pay their tuition for the 2017 – 2018 school year. The two options available are payment in full by **July 31, 2017** or enrollment with FACTS Management Company. **Please choose one option below.**

---

\_\_\_\_\_ I/We will pay the 2017 – 2018 PreSchool Tuition in full by **July 31, 2017**. By choosing this option, I/we understand that if I/we are unable to pay by July 31st, I/WE WILL NEED TO ENROLL WITH FACTS WITH ALL THE RESPONSIBILITIES THAT THE PROGRAM REQUIRES. This is not optional and the 1<sup>st</sup> payment would start in September.

\_\_\_\_\_ I/We will enroll with FACTS to pay the Preschool tuition. The first payment will start in May regardless of the payment option I/we choose. (FACTS offers several payment options.) **I have completed the enrollment form – this is my FIRST time enrolling for the 2017-18 school year with FACTS for my SCLS student(s).**

\_\_\_\_\_ I/We will enroll with FACTS to pay the school tuition. The first payment will start in May regardless of the payment option I/we choose. (FACTS offers several payment options.) **I have completed the enrollment form for my PreSchool student(s). I also have students attending Saint Catherine Labouré School (K-8) and have an established FACTS account for those student(s) for the 2017 – 2018 school year. (FACTS enrollment fee for this 2<sup>nd</sup> account will be waived.)**

*By my/our signature, I/we agree that I/we and my/our child/children will abide by the policies and procedure that may be adopted from time to time by the diocese or the school, particularly those set forth in the school’s handbook. Nothing contained within the handbook is intended to, or shall be construed to, create any contractual obligations, express or implied, on the part of the diocese, or school. The contents of the handbook are subject to alteration or modification by the school, as circumstances may require.*

*All new students will be accepted on a probationary status only, pending a review of student records/materials and an evaluation of their performance at the school. The probationary period may extend throughout the school year. If the school is unable to meet the needs of the student(s), parent(s) will be asked to place their child in another educational setting. Such recommendations would only occur after conferences with the parent(s) and after exhausting other methods of assistance. Once a child is accepted into the school, non-acceptance is later determined by the following: willful delinquent tuition, lack of cooperation on the part of parent and/or student, discipline record and/or suspensions, or school inability to meet a student’s academic needs. The school is operated as a faith community, not as a commercial or secular enterprise. The school provides an opportunity for the development of faith-based values and for receiving instruction in the Gospel of Christ as part of its religious mission and ministry. Consequently, the payment of tuition may not be considered as creating a commercial or contractual relationship between the school and the parents that may be construed to create a legally enforceable obligation on the part of the school, or its sponsoring ecclesiastical entities, to allow for continued enrollment, or to provide any type or level of educational services, or to provide such services involuntarily.*
