

## It's Box Top Contest Time!

Just in time for the holiday shopping and cooking, get set to start hunting and clipping Box Tops for Education! Starting December 1<sup>st</sup>, SCLS is kicking off a fun (and rewarding!!) way to save those pink and yellow Box Tops.

### Team C vs. Team L

We will be pitting the 'C' homerooms against the 'L' homerooms in a RACE to see who can save the most Box Tops before the end of April, with a chance to win some fun prizes along the way. Ready?

#### How To Play:

1. COLLECT BOX TOPS! These are found on many products you are already buying at the store. Keep your eyes open for special offers or packages with Bonus Box Tops. Don't limit yourself to your own home – ask your neighbors, friends, and coworkers if they would save Box Tops for you, too. Check around for Box Tops that might end up in the recycling bin – rescue them so they don't get thrown away!
2. Save your Box Tops in a zip-top baggie or on a Collection Sheet (available at school). Mark your baggie or sheet with your HOMEROOM NUMBER AND LETTER. This is how we'll know which team gets credit for your Box Tops, so PLEASE make sure you include this!! (Unmarked items will be split evenly between Team C and Team L.)
3. Turn your baggies and sheets of Box Tops in to your teacher, or to one of the collection bins at school or in the Narthex. You don't have to have any particular number to turn them in – as long as they're labeled with the HOMEROOM NUMBER AND LETTER, send them in as often as you like.
4. Wait for the results to be posted – check out the Box Top contest display on the bulletin board in the hallway on the main floor, and keep your ears open during morning announcements. There will be updates at least once a month, with fun surprises along the way. The contest runs through April 30<sup>th</sup>, with the Ultimate BoxTopping Team revealed in May!

That's all there is to it! Every Box Top helps us reach our school goal, so no matter which team has the most, the whole school WINS. Thank you for your participation and excitement as we work together to make a difference at SCLS!! If you have any questions, please call your Box Top coordinator, KC Torta (717) 561-2850.

## Happy Box Topping!!
