

## **Rectory Cook – Part Time**

We have a need for an individual to prepare nutritious and balanced dinners for our Priests in residence.

- Pre-portioned meal kits including detailed directions are supplied for part of the week.
- Some additional menu planning (in coordination with rectory staff) is needed.
- Must maintain a sanitary work environment along with other relevant tasks will be required.

There is some flexibility in hours although primarily for evening meals which average approximately four days (10 hours) per week.

To apply, contact Jerry Donlan at [gdonlan@sclhbg.org](mailto:gdonlan@sclhbg.org) or call 717-564-1321.
