

The PTO is kicking off the year with a school-wide service project. Each homeroom will be collecting soda can tabs. In December and again in May, we will weigh what each class has collected, and the class with the highest weight will win a pizza party. Our school-wide collection will then be donated to the Ronald McDonald House. From now until a date to be determined in December, please send in any tabs to your child's homeroom teacher to add to their class collection.

Student Council will be encouraging classes to keep their collections going through the next few months. The Ronald McDonald House sells all aluminum tabs collected to a local recycling company, and proceeds help with daily operating expenses at the Ronald McDonald House. Our hope is that as a school community we can help families staying at the Ronald McDonald House through our collection - "Kids Helping Kids!"

The soda tab collection begins **NOW** - so start sending them in!
