Fall 2018

Dear Parents, Guardians, Alumni and Friends:

May Saint Catherine Labouré intercede for us and bring us the grace and peace of Jesus! Our school year is off to a wonderful start as we “teach minds, form hearts, and grow disciples” here at Saint Catherine Labouré School.

Over the summer our school experienced renewal and transition in many ways. We said good-bye and thank you to Sister Mary Anne Sweeney after six years as our leader and welcomed Mrs. Colette Vail as the new SCLS Principal. There were several moves and improvements within the school building, all done with safety and efficiency in mind.

Please take a few moments to review our Miraculous Messenger Newsletter and 2017-18 Annual Report. You will see the outcomes of these changes and how we educate the whole child—from religion to academics to service to arts and athletics. We are proud of the accomplishments of our wonderful students!

We are so grateful for your support throughout the year and strive to be good stewards of those funds. We have included information on special events, how much was raised, and how those funds impacted our school and students through building improvements, technology advances, and tuition assistance.

Thank you for your kindness and faithful support. Be assured of a daily remembrance in our prayers and the prayers of our students. God bless you!

In love and gratitude,

Gratefully,

Very Reverend Neil S. Sullivan, VF
Pastor

Mrs. Colette Vail
Principal

On the front cover and below: Saint Catherine Labouré School second graders and students in the Parish Religious Education Program received their First Holy Communion in May 2018. The smiles on their faces show they have received Jesus and are full of joy!

Educational Improvement Tax Credit Program

The Educational Improvement Tax Credit (EITC) Program provides a mutual benefit to businesses and students and their families. While it may seem too good to be true, the fact is: a business can receive a 75% tax credit for every dollar donated. The tax credit increases to 90% if the business commits to donating for 2 consecutive years. At the 90% rate, if a business donates \$1,000, they would receive a \$900 tax credit. The donations go to scholarship organizations and funds can be designated for Saint Catherine Labouré School students in the form of scholarships. For more information please visit www.newpa.com/eitc or call Kelly Rogers at (717) 564-1760 ext. 129.

Congratulations Class of 2018, Welcome Class of 2027!

We congratulate the SCLS Class of 2018 and wish them luck in high school! You will be missed but we look forward to hearing great things in this new chapter—please keep in touch! As we bid farewell to our graduates we also welcome our Kindergarten students, SCLS Class of 2027! May your time spent at Saint Catherine’s help you to grow closer to Jesus and to become the best you can be spiritually, morally, academically, emotionally, and socially.

What's New at SCLS...

This summer SCLS underwent some significant personnel and building changes. After six years as SCLS Principal, Sister Mary Anne Sweeney, IHM, was reassigned to Director of Spiritual Activities and a member of the Admissions Team at Saint Aloysius Academy, Bryn Mawr. At the final School Mass Sister was presented with a ticket to join the Saint Catherine Labouré Parish 70th Anniversary Pilgrimage to France in the Spring of 2019. Saint Teresa of Calcutta said: Not everyone can do great things. But we can all do small things with great love. Sister Mary Anne has not only done great things here at SCLS, but has done them with even greater love. And for that, we are forever grateful.

We are delighted to introduce the new SCLS Principal, Mrs. Colette Vail! Mrs. Vail comes to us from Paramus, NJ with over 30 years' experience in Catholic education and administration and has been recognized for her work as a National Distinguished Principal by the National Catholic Education Association and the United States Department of Education. Most recently, she served for 20 years as principal of Saint Joseph School in Oradell, NJ where she led the school through two successful reaccreditation cycles, attained the school a National Blue Ribbon recognition award (2011), and developed strong extra-curricular activities, world language, integrated technology into the classrooms, fostered strong language arts, lab science, a school retreat program and summer camp. Mrs. Vail is happy to be here and looks forward to working together with faculty, parents, guardians and students to continue "teaching minds, forming hearts, and growing disciples!"

Early Learning Center: Teaching Young Minds

This summer the kindergarten classrooms were relocated to the first floor, adjacent to the Pre-School. This was the first step in establishing a formal Early Learning Center at Saint Catherine's. This area will allow for more dedicated space and resources for our youngest learners. A "Gross Motor Skills Room" was also created. Additionally, our 4-year-old Preschool Program is now offering a full-day session, three days per week with an eye to the future and a full 5 day per week program starting in the fall of 2019. Interested in our PreK 3, 4, or Kindergarten Program? Plan to attend our Early Education Information Night January 31 at 7pm.

Personnel and Building Changes

The sixth grade classrooms were relocated to the second floor establishing a middle school suite of the school building.

The Christian McNaughton Technology Center was relocated to the current Music Room placing the computer lab in a more central location of the school building. Chromebooks have been added to the lab to enhance our technology curriculum.

The Music Room was relocated to Room 114 (previous kindergarten classroom across from Murray Hall). The new Music Room will provide better access to both Murray Hall and the Shrine Church.
