

2018 SCLS PTO Christmas Store

Each December, the St. Catherine Labouré PTO opens the annual Christmas Store so that our students can take part in the joy of giving ... while having some fun, too! Our elves have been busy preparing the store for the approaching Christmas season. The Christmas Store will be open Tuesday, December 11th and Wednesday, December 12th.

We are grateful to the members of the Christmas Store Committee who will help our students shop. At this time we are not in need of any additional volunteers.

On your child's shopping day, please use the attached envelope to list who your child is shopping for and the amount they are budgeted to spend. Store items range in price from \$0.25-\$11.00.
