

Fall Fundraiser Wrap-Up

Thank you to everyone who participated in the PTO Fall Fundraiser. 2018 has been our best year yet!

2016 profit – \$16,374
2017 profit – \$18,678
2018 profit – \$25,769

These funds are vital to our school and provide the funding to keep a nurse on staff 5 days a week. Additionally, PTO has been happy to offer teacher wish lists to our entire faculty, cover the cost of Science Explorers, provide teacher and student lunches during Catholic Schools Week, as well as provide the means to host many other annual events at SCLS that are enjoyed by all our students.

Congratulations to 2C, the class that earned the largest profit for the PTO (through sales and the buyout). 2C has earned a pizza party that will be planned for November 19th.

Our top sellers were so close, only \$87 separated their sales amounts! The PTO will be awarding each with a \$50 gift card.

Congratulations to Alexandria Brixius in 2C for selling \$1,282
And to Gaurish Saini in 1L for selling \$1,195

Students who sold 15 items or more will be receiving their dress down day passes this week.

As a reminder, pick-up for anyone that ordered items from Charleston Wrap is Thursday, November 15 from 3:30-7:00PM in Room 103. There is also a PTO general meeting that night at 7:00PM – plan to pick up your items and stay for the meeting!

PTO wishes to extend heartfelt thanks to all SCLS families for your participation. We depend on your willingness to be involved in YOUR school to exceed our fundraising goals!
