

SAINT CATHERINE LABOURE CATHOLIC SCHOOL

Teaching minds. Forming hearts. Growing disciples.

Dec. 19, 2018

Dear Parent(s) and Families:

The theme for Catholic Schools Week continues to be “Catholic Schools – Learn. Serve. Lead. Succeed.” Our yearly theme that we will continue to “Walk the Royal Way” speaks of our pledge to live the Gospels as we acknowledge the gift of our Faith, the continued academic excellence of our students, and our school-wide commitment to service. Please plan on taking part in our many activities that will take place during Catholic Schools Week, which begins Sunday, Jan. 27, 2019. For those of you who may have friends or family looking to take advantage of the wonderful Catholic education we have here at Saint Catherine Labouré for their family, we will be having an Open House on the afternoon of January 27, 2019, from 10 AM – 12 Noon. There will be tours available for anyone who would care to come, teachers on site to answer questions about our programs, and the opportunity to register for the 2019 – 2020 school year.

As you know, we continue to have very limited space in each grade level for new families. In order to know how many openings we have at each grade level for families coming to our Open House, it is necessary for you to fill out the form(s) enclosed, stating your intentions for next year and return it to school along with the \$100.00 school fee. We need a form and a fee for each child in the family who will be in grades K-8 next year. School fees are non-refundable. Please return the form no later than Monday, Jan. 7, 2019. You have a 10 day Christmas vacation to give you plenty of time to get your paperwork in order! We appreciate you returning all forms and fees promptly. Please note the registration fee for grades K – 8 does go up after Feb. 1, 2019. Pre-School registration fees go up after May 1, 2019. For your convenience, credit cards may be used to pay registration fees this year.

The sacrifice you make as a family to give your children the gift of Catholic education is great. The importance of this precious gift is beyond measure, particularly in the world they are growing up in now. We hope you will continue to be a part of the family of Saint Catherine Labouré School, where your child is in an environment that is spiritually enriching, academically challenging, emotionally supportive, safe and secure.

May the coming New Year bring you God’s continued blessings and we look forward to seeing the students when they return on January 2, 2019.

Best Wishes,

A handwritten signature in blue ink that reads "Colette Vail". The signature is written in a cursive, flowing style.
