A Message from the Principal, Mrs. Reagan

Dear St. Catherine Laboure Families,

We are now into the month of October, which means we are also now well into the school year. While the start of this school year seemed to be a bit busier than usually expected, with the continued hiring of faculty and staff, the transition of all the newness, and other changes that took place, I am happy to say that we have a complete group of faculty members and that daily operations are now moving along a smooth and steady pace. I thank you all for your wonderful support and patience as we began this school year. It is evident that we have an amazing group of faculty, students, and families at St. Catherine Laboure.

It has been a pleasure getting to know everyone during these first several weeks of the school year both inside and outside of the school building. The attendance at the Topper Trot and Ice Cream social surpassed what I could have imagined. One of my biggest joys is watching the school community gather together to support each other, to have fun, and to enjoy their time with each other.

There will be many more school and PTO events coming up soon, so I look forward to getting to know the students and families even more as the school year continues.

Peace,
Mrs. Jodi Reagan
Principal
