Fall 2019

Dear Parents, Guardians, Alumni and Friends:

May Saint Catherine Labouré intercede for us and bring us the grace and peace of Jesus! Our school year is off to a wonderful start as we “teach minds, form hearts, and grow disciples” here at Saint Catherine Labouré School.

This year marks the 70th Anniversary of our amazing school! This is a special time to acknowledge our past and present pastors, administrators, teachers, and staff who have given so much of their time, faith, and love to our students over the years. We thank you for your kindness, support and generosity. Thank you to all the parents and grandparents who have sacrificed over the years to make a Catholic education at SCLS a priority for your family. To our alumni, we trust that you are doing well and hope the foundation you received at SCLS has provided future opportunities for growth. We count on your prayers and continued support.

Please take a few moments to review our Miraculous Messenger Newsletter and 2018-19 Annual Report. You will see how we educate the whole child—from religion to academics to service to arts and athletics. We are proud of the accomplishments of our wonderful students!

We are so grateful for your support throughout the year and strive to be good stewards of those funds. We have included information on special events, how much was raised, and how those funds impacted our school and students through building improvements, technology advances, and tuition assistance.

Thank you for your kindness and faithful support. Be assured of a daily remembrance in our prayers and the prayers of our students. God bless you!

In love and gratitude,

James E. Lease

Educational Improvement Tax Credit Program

The Educational Improvement Tax Credit (EITC) Program provides a mutual benefit to businesses and students and their families. While it may seem too good to be true, the fact is: a business can receive a 75% tax credit for every dollar donated. The tax credit increases to 90% if the business commits to donating for 2 consecutive years. At the 90% rate, if a business donates \$1,000, they would receive a \$900 tax credit. The donations go to scholarship organizations and funds can be designated for Saint Catherine Labouré School students in the form of scholarships. For more information please visit www.newpa.com/eitc or call Kelly Rogers at (717) 564-1760 ext. 129.

Congratulations Class of 2019, Welcome Class of 2028!

We congratulate the SCLS Class of 2019 and wish them luck in high school! You will be missed but we look forward to hearing great things in this new chapter—please keep in touch! As we bid farewell to our graduates we also welcome our Kindergarten students, SCLS Class of 2028! May your time spent at Saint Catherine’s help you to grow closer to Jesus and to become the best you can be spiritually, morally, academically, emotionally, and socially.

Meet Mrs. Jodi Reagan, SCLS Principal

We are happy to welcome Mrs. Jodi Reagan as the next principal of Saint Catherine Labouré School. Mrs. Reagan was born in Havre de Grace, Maryland. She earned her bachelor's degree and master's degree from Armstrong Atlantic State University in Savannah, Georgia. She received her post graduate Educational Specialist degree in Educational Leadership from Lincoln Memorial University in Harrogate, Tennessee. Mrs. Reagan has worked in both Catholic and Public School Systems. She has served as principal and assistant principal in the Archdiocese of Washington and the Archdiocese of San Antonio. She comes to Saint Catherine Labouré after serving as principal at Queen of Apostles School in Alexandria, Virginia.

"I am blessed to have been selected as the new principal at Saint Catherine Labouré School. I look forward to working with the school and church community to help bring to it a sense of energy, excitement, and positivity this school year!"

Saint Catherine Labouré Preschool Grows

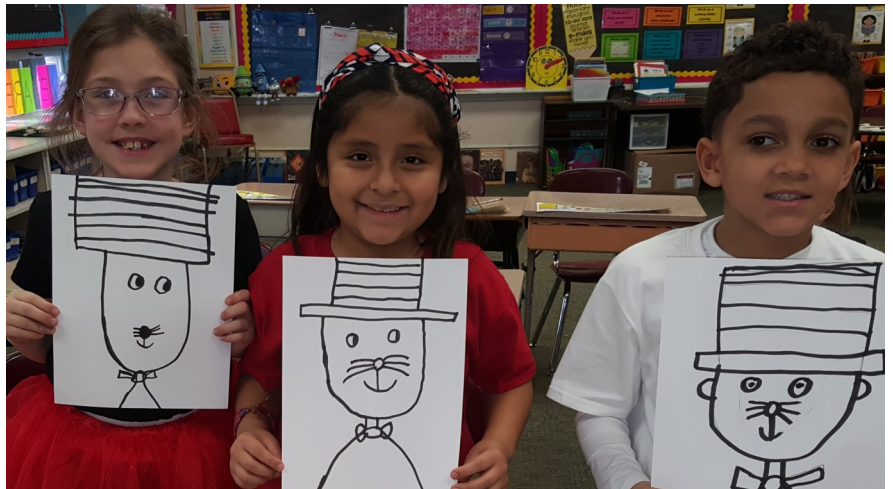

"Teaching little minds, forming little hearts, growing little disciples" is the motto of the Saint Catherine Labouré Preschool. These adorable little ones are eager to learn, play, and meet new friends. Because our children are active learners, we focus on providing "hands-on" experiences that promote the child's overall development. Due to the ever changing needs of our families, new options were added this year including a full-day program for both 3 and 4 year-olds. Half-day programs are still available as well.

If you or someone you know is interested in learning more about our Preschool Program please reach out to Mrs. Kelly Rogers, Director of Advancement: 717-564-1760 extension 129 or krogers@sclhbg.org.

A Peek Inside Our Phenomenal School

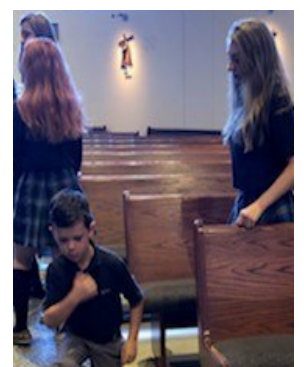

March 2nd, Dr. Seuss's birthday, was a wonderful opportunity to celebrate Dr. Seuss Day for 1st and 2nd graders! Students participated in various hands-on stations to learn about Dr. Seuss, his books, and the importance of reading. A fun day was enjoyed by all!

Science Explorers Club
A new after-school program with hands-on experiments and learning opportunities for our junior scientists!
