2020-2021 School Wrap up

A Message from the Principal, Mrs. Reagan

Dear SCLS families,

I am flabbergasted that this year has come to a close. I know I have mentioned it before, but I will say it again. When this year first started, the thought was that we would not be open more than 2-4 weeks before we would need to shut down again. Due to the outstanding efforts and cooperation of our families, students, teachers, and staff, we have made it through the school year without having a full closure. We did have some virtual days throughout the year, but that was not due to COVID, but rather precautions and the well-being of our community.

As we look back on this year, we want to celebrate not only the accomplishments of remaining open, but of what we were able to do. Throughout this year, the students were still able to have their class holiday parties and celebrations, conduct various service projects, have in person First Holy Communion and Confirmation, attend Mass weekly, and have some of our PTO treats such as pizza and ice cream. And if they have not happened yet at the time you read this, we will have our Royal Run, Field day, and in person 8th grade graduation. So again, while this year was not a normal one, we worked through it the best we could, and I think we have many things to be thankful for as we bring the year to a close.

Once again, we are blessed to have such a supportive and cooperative school community. Thank you all for everything you have done this school year to help make it successful. We wish each and every one of you a blessed, safe, and relaxing summer.

Peace,
Mrs. Jodi Reagan
Principal

A Note from the SCLS PTO President, Erin Henderson

We did it, SCLS! We made it through this entire school year in-person, with only a few bumps in the road, and are heading into the homestretch to a very well-deserved Summer vacation.

Despite the challenges that this year has thrown at us, we really were able to accomplish quite a bit. Instead of dwelling on the things we had to put on a pause for this year, the PTO Board tried very hard to keep the focus on the students and teachers at SCLS. We wanted the focus of this final newsletter of the year to highlight everything we were able to do despite the circumstances - read on for a recap! As much as we missed having large gatherings this year, we know they will be back in the future... the PTO has a lot to make up for as we head into the 2021-22 school year!

The PTO Board has been elected for new 2-year terms, and we are excited to roll up our sleeves and get things back to "normal" moving forward. Danielle, Janell and I are so excited to welcome Colleen Formica to the Board as our Vice President. Colleen has been a tireless volunteer for both PTO and the Friends of Saint Catherine Gala for many years, and each year she puts together the school yearbook. We know Colleen will be a great addition to the Board and we are excited to get to work with her! Colleen moving into the Vice President slot means that we are saying goodbye (and the best of luck!) to Katie Sullivan, who has been our Vice President for the last 3 years - Katie's daughter Alannah is one of our 8th grade graduates and is moving on to McDevitt in the Fall. Besides serving on the PTO Board, Katie has been a volunteer, committee chair and homeroom mom every year since Alannah was in Kindergarten; she is the kind of volunteer who will truly be missed, and we thank her for everything she has done for SCLS in her time here. Best of luck at McDevitt, Alannah and Katie!

This Summer, please consider volunteering for the PTO next school year. There will be several committees in need of chairs, and the PTO Board is interested in finding shadows to take over after our 2-year terms are done, as this will be the last term for several of us. We cannot do it alone, so if you are interested in volunteering or would like to talk about opportunities to help, please reach out! Wishing everyone a relaxing and healthy Summer, and we will see you in the Fall!

BUT THOSE WHO HOPE IN THE LORD
WILL RENEW THEIR STRENGTH.

THEY WILL RUN AND NOT GROW WEARY,
THEY WILL WALK AND NOT BE FAINT.
