

STUDENT REFERRAL INCENTIVE PROGRAM

Our current school families are often our biggest cheerleaders. To thank you for referring new students and families to Saint Catherine Laboure School (SCLS), we are implementing a **Student Referral Incentive Program**. For each new family that is referred to, enrolls in, and attends SCLS, we will award the referring family a \$500 tuition credit.

The referral program is for current SCLS parents or guardians who are paying tuition for enrolled students (Kindergarten through 8th grade).

- Families who pay by automatic withdrawal or invoice will receive a credit to their account.
- Families who pay their tuition in full before the school year begins will receive an award check.

To participate in the Student Referral Incentive Program, you must fill out this Referral Program form. Please fill out a separate form for each family which you refer. Forms are available in the school office and on the school's website.

- Tuition discount for the referring family may not exceed total tuition paid by that family.
- The new student must be a full-time student and attend SCLS for at least eight months before the credit is awarded.
- The referred family will be consulted to verify the claim. In case of multiple claims for the same new family, the referred family will be consulted about the distribution of the award.
- Referring families with enrolled students have the option to designate their incentive to the SCLS Scholarship Fund or the Annual Fund.
