A Message from the Principal, Mrs. Reagan

Dear SCLS families,

I want to start by thanking all of our school community for their efforts in making the start of this school year a success. While we are able to enjoy a few more freedoms from last year such as eating in the cafeteria, changing classes, and working with other floor level grade groups, we have found that this year is just as challenging as last year. Despite the challenges we continue to face this school year, our teachers/staff, students, and parents are doing a great job of maintaining pride in the mission of the school.

We are just finishing the first full month of the school year. The teachers and students are settled into their routines. The students have completed the first round of the Renaissance STAR testing to which we are very pleased with the outcomes. We were blessed to be able to have our Ice Cream Social this year. It was a joy to see so many people at the event having a wonderful time together. It was evident that this type of community activity was greatly missed last year.

Looking ahead to October, our Virtue of the Month for October will be Courage. We will continue to be courageous as we work through any challenges this year continues to hold for us. We will also continue with joy and positivity in the school. Our school Masses will continue to be held on Fridays. This month will begin with our parent/teacher conferences and end with our class Halloween parties. We will all continue to work together to make this year another successful one for the school community.

Psalm 133:1 "How good and pleasant it is when God's people live together in unity!"

Peace,
Jodi Reagan
Principal

A Note from the SCLS PTO President, Erin Henderson

Welcome to October, SCLS Families!

September was a very successful month for the PTO, and we are so thankful for all of your support. We were thrilled to be able to host our first Ice Cream Social since the Fall of 2019, and we were so happy to see so many families and teachers come out to spend the evening together. We also just wrapped up our annual Dress Down Pass sale and are excited to announce that the sale this year was our most successful one yet. We sold 240 passes, which raised \$4800!

Looking ahead to October, we have several sales ongoing: Spirit Wear, R&K sub and pretzel sandwiches and a special school unity tee-shirt (shirts will be allowed to be worn in place of gym uniforms, as well as during dress down days! Look for the flyer at the end of this newsletter). We are starting the year off heavy on fundraising, and we can announce that our fundraising for the 2021-22 school year will be going towards the purchase of some outside enhancements, specifically the purchase of awnings and picnic tables to be utilized by the entire school community. Between teachers taking their classes outside when the weather is nice, and students being able to spend time outside in the fresh air during their recess or gym times, the PTO Board feels that adding to the outside is the best use of our fundraising dollars this year. So please know that with every sub you order, restaurant night that you attend, or when you purchase a Dress Down Pass, the funds we raise will be going towards this project.

October will also bring some special holiday celebrations that we are planning for. We will be hosting a Middle School Halloween dance for 6th to 8th grades on October 22, and preschool through 5th grades will enjoy an afternoon of Halloween parade and parties on October 29. We can't wait to see everyone in their costumes later this month!

We have a lot of great events planned for the coming months and hope to keep the momentum we have built in the first month of school going strong!

Enjoy the Fall!

VOLUNTEER CLEARANCES

Saint Catherine Labouré Parish is very committed to ensuring that all of our volunteers who provide care, supervision, guidance or control, and have routine interaction with children, receive the proper training and clearances according to Harrisburg Diocesan Policy.

ALL volunteers at St. Catherine Labouré school require clearances, *prior* to any involvement with youth. If you are hoping to volunteer in any way this year, please take the time now to complete the process to obtain a youth protection badge. The PTO will not be able to allow any volunteers (if we reach a point where volunteers are allowed into the school building this year) at school functions if they do not have up to date current clearances.

If you are new and need to complete the process or you have had your clearances expire, please visit the website below:

<https://sclhbg.org/parish/obtainyouthprotectionbadge/>

Please note that ALL forms must be reviewed and approved by the Harrisburg Diocese prior to an individual being granted a valid youth protection badge.
