JoAnn Cantos	Girls on the Run	3rd-5th	Mon/Wed 3:15-4:45	Wk of Sept 12th- Wk of Nov. 13th	\$150 Scholarships available	Separate Paperwork for this will be provided

STEM: STEM means Science, Technology, Engineering and Math, and that means fun! In STEM Club we will complete many fun challenges, working in a team! We will design and build all sorts of things, and test them together. We will play Math Games, and use our brains to imagine and create ! STEM Club will meet in Mrs. Byrnes' classroom.

SPANISH:The Spanish club will introduce the Spanish Language and Culture with fun activities. Crafts, food and videos will be used as a learning tool for recognition of words and phrases and different food styles used in the Hispanic Culture. Please let Mrs Cole know of any dietary restrictions when joining the club.

INTERNATIONAL CLUB:

The International Club is an introduction into several different cultures. Students will learn geographic details, some popular expressions and interesting traditions. The club will use music, activities and food to engage the participants.

FIBER ARTS: Fiber Arts club is meant for you to learn all about string-oriented crafting! You can learn how to crochet, to tie macrame, or make cross stitch. No prior experience or knowledge is needed. We will also have a few other string-oriented activities. All materials will be provided.

SCIENCE EXPLORERS:

GIRLS on the RUN:Girls on the Run inspires girls of all abilities to recognize their individual strengths while building a sense of connection in a team setting. Volunteer coaches facilitate lessons that blend physical activity with life skill development to enable girls to adapt to whatever comes their way. At the end of the season, the team completes a 5K together, which provides a tangible sense of accomplishment and sets a confident mindset into motion. Cost: \$150- financial aid available based on the free lunch program standards. Please use the website to sign up under St. Catherine. <https://www.girlsontherun.org/>

AFTER SCHOOL CLUB Registration:

Student Name(s) _____

Club(s) Selected _____

Parent Name _____

Contact Phone Number _____
