## **A Message from the Principal, Mrs. Reagan**

Dear St. Catherine Laboure Families,

This school year has been going by so fast. We have already finished the first trimester and are into the second trimester. While November did not have too many activities, it came and went in the blink of an eye. November started with our celebration of All Saints Day with an all School Mass as well as the presentation of our October Disciple of the Month for Reverence. We then finished the month (prior to Thanksgiving Break) with our Discover Catholic Schools Week and our Mini Thon. The week of Discover Catholic Schools Week and Mini Thon was fun and exciting. The students participated in Spirit week, we had an open house for new families, and we ended with the Mini-Thon activities and pep rally. This was a fun and exciting way to help us transition into our Thanksgiving break.

This coming month of December will also go quickly but may be filled with more events and activities. We will celebrate our November Disciples of the month for stewardship at the beginning of the month. Our PTO has put a lot of time and effort into the preparation of the school Christmas store that will take place the first full week of December. Our 3rd-8th grade students will take part in the school Penance on December 13th. This will be followed by our cookies and cocoa event for 1st-3rd grade classes on the 15th. We will end our month with our Christmas program and school prayer service before we go on Christmas break. We are blessed to bring back our Christmas program live and in person this year as this will be a wonderful event to celebrate the Christmas season. We continue to be thankful for the many blessings we have here at SCLS to include our students, families, teacher, staff, and community. We wish you all a blessed Christmas season.

*"May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit."*  
**Romans 15:13 (NIV)**

Peace,  
*Jodi Reagan*  
Principal

## A Note from the SCLS PTO President, Erin Henderson

Welcome to December, SCLS families!

It is really hard to believe that we are entering December and the hustle and bustle that the holiday season brings. I truly think that time seems to be going so fast because we are as close to "back to normal" as we have been since the start of the pandemic. It feels really good to be back here!

I wanted to take this letter to finally announce something that the PTO Board has been working on behind the scenes, and as we wrap up this calendar year and head into 2023, it seems like a good time to officially let everyone in on what we have been working on. As you all know, we work very hard each year to raise funds for SCLS that can be used for larger scale school-wide projects (security cameras, new cafeteria tables and water bottle fillable water fountains have been just a few of our recent projects). The four of us on the PTO Board - myself, Colleen, Danielle and Janell - have been working with Father Lease, Mrs. Reagan, several members of the School Board (Vince Paese, Pat Henderson and Jordan Golob) and Joe Formica (from the Athletic Association), and we are excited to announce that we will be funding a new playground which we can all agree is sorely needed at our school. We truly have been blessed by a very supportive Father Lease and Mrs. Reagan to be able to make this happen. Father is even generously giving us several parking spaces to expand the footprint of this new outdoor space! We have a model selected (thanks in part to the students who voted on several pieces that were being considered), and this particular design will be ordered before the end of the year. We will have to wait until Spring until anything can start to come together outside, so this is going to be an ongoing project for the rest of this school year.

But we still need your help! While we have some of the funds to purchase the playground unit, there will still be expenses to come to make this project a reality. So please continue to support restaurant nights as they are announced each month. We will be planning a Krispy Kreme donut sale again around Catholic Schools Week and will likely do another sub sale in the Spring. There will also be another Spirit Wear sale closer to Easter, and we always have our bulk items available. Remember that each time you support one of these PTO fundraisers that the money will be going towards making this project a reality. Look for ways to help in the coming months! As we get closer to rolling up our sleeves and making this playground happen, there will be plenty of volunteer opportunities - so stay tuned!

We could not have gotten this far without the generosity of our SCLS families, and we are so thankful to you, because without your support this project would not be so close to happening. Thank you, thank you, thank you!  
Wishing all of our SCLS families a very Merry Christmas, and all the best things to come in 2023.

## PTO and SCHOOL COMMUNITY OUTREACH

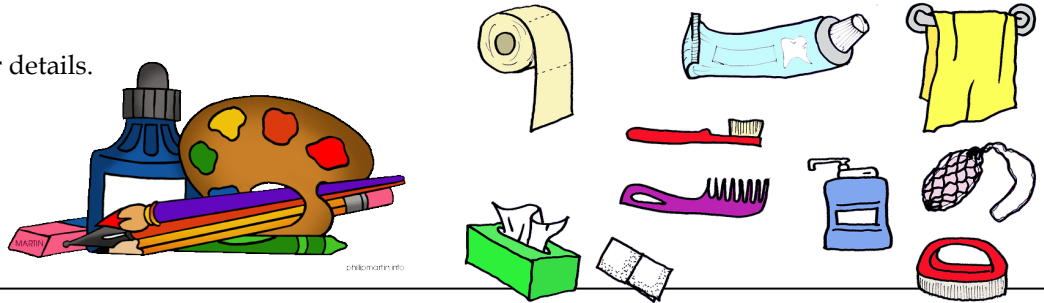

Our Community Outreach Drive has kicked off! Every year we pick a charity to donate their most needed items as a way of giving back to our community and those in need. This year we have decided to donate items to The Evergreen House - they provide a safe and nurturing environment for women recovering from addiction - and Caitlin's Smiles - they provide pediatric patients with arts and crafts activities all over the country.

We are having PreK to 5th Grade donate items to The Evergreen House - we have designated items for each grade level.

The middle school will be donating items to Caitlin's Smiles, and we have designated items for each grade level as well. Caitlin's Smiles also has an Amazon Wishlist if you want to look at these items as well - <https://www.caitlins-smiles.org/wishlist/>

We will start the donation collections on Tuesday, November 29th and collect items until Friday, December 16th. Please have your child bring your donations to their homeroom teachers.

See flyers at end of newsletter for details.

## SCLS Christmas Store

Monday, December 5 and Tuesday, December 6  
Shop 'til you drop!!!!

The SCLS Christmas Store will be open on **Monday, December 5 and Tuesday, December 6.**

SCLS has partnered with Penguin Patch to provide sweet gifts for family and friends. Students in grades K-5 are invited to come and shop with their class. Students in grades 6-8 can visit only if they have money to shop.

Gift list budget envelopes and a letter will be sent home on *Tuesday, November 29.* Gifts range from \$.25 to \$12.00. Cash only will be accepted. Please no checks. Please remember to send money if your child is able to participate so they can experience the spirit of giving!

Only volunteers pre-signed up for the store will be able to assist children to shop.

We look forward to sharing the holiday spirit with our SCLS families!

## PTO and Student Council Soda Tab Collection

The PTO is partnering with Student Council again this year for a school-wide service project by collecting soda tabs for the Ronald McDonald House. All students are asked to collect soda tabs at home and bring them into your homerooms, where they will be collected and weighed by Student Council in 3 rounds.

Congratulations to 6C who collected the most tabs in the first round - just over 8 lbs of tabs! They will be awarded a dessert treat from the PTO.

The next round ends February 7, and the deadline for the final round of the year will be May 2. Please help Student Council reach their goal of collecting 400 lbs of tabs this school year!

Mom, I heard they are putting in a new playground for us!

Guys, you'll never believe it....we're getting a new playground!!!!

Monkey bars are a must!

**Can't wait to donate?????**  
Please click [here](#) to help make this playground a dream come true for our students!

## SCLS PLAYGROUND UPDATE

A committee was formed.

A company was selected.

The committee narrowed it down to three sets.

The students voted (and couldn't hide their excitement).

Father Lease agreed to give up some parking spaces.

A plan is in the works.

A NEW playground is coming to SCLS!!!

## THE COMMITTEE NEEDS OUR SCLS FAMILY!!!!

If you know of any groups or companies who would be willing to donate towards our playground let us know. We have a lot of fundraising left to do to ensure the playground gets completed. If you can help with donations, grants, fundraising please email Danielle Harper @ [d\\_mehalick@hotmail.com](mailto:d_mehalick@hotmail.com). Stay tuned for more details around finances and timeline.
