

# SAINT CATHERINE LABOURE CATHOLIC SCHOOL

Teaching minds. Forming hearts. Growing disciples.

January 2023

Dear Friend of Saint Catherine Labouré School,

Saint Catherine Labouré is getting a new playground! Many of our family and friends are part of this exciting new project and we're asking for your help!

Recess is important to the mental and physical health and wellness of our student body. It allows them to release pent up energy and socialize with their friends. However, recess at SCLS is not what it used to be. That is because our current playground equipment is over 35 years old. It is outdated, not much fun and needs a makeover!

Our PTO has been saving money through fundraising and has been throwing ideas around for the past year. We are pleased to announce that the PTO along with other volunteers from our school community have launched an initiative called "The PTO Playground Project." A \$25,000 deposit on a brand new, SAFE and fun playground set has been placed. We are projecting this project to be installed in the spring of 2023.

There are many costs associated with this project that go far beyond the cost of equipment and our fundraising goal is \$100,000. Can we count on you for your support to give our students the playground they deserve? If so, please use the enclosed pledge form and envelope to make a **tax deductible** donation to our school! Our EIN Number is 84-3657993.

Many thanks for your generosity! God bless you.

Yours in Christ,
