A Message from the Principal, Mrs. Reagan

Dear St. Catherine Laboure Families,

I feel blessed each day to be part of such an amazing school community. We are almost through the first trimester of this school year, and it has been filled with exciting events while also maintaining quiet days in the building. This past month consisted of picture day, our Grandparents/Friends Rosary, PreK pumpkin painting, Disciple of the Month (Hope), and ended with our Halloween parade and parties. I am also proud of the efforts of our CYO soccer team as well as our Girls on the Run Club. These activities help keep the students involved after the school day. We have also been bringing back our parent volunteers, so a big thank you to those parents that have been joining us to help during the school day. When COVID hit, we had several years in which we could not have parents/guests in our building, but we are looking to return to welcoming and utilizing the help of our volunteers. If you have your clearances and are interested in volunteering, please reach out to your teacher and/or the school office.

Next month we will continue with events and hope to maintain the calmness that we have enjoyed in the building. November began with our All-Saints Day Mass and will be followed by the middle school Halloween dance. By mid-month, we will celebrate Discover Catholic Schools week in which we celebrate and congratulate the great work and good news of Catholic schools. Upon our return from our Thanksgiving break, we will have a Mass to celebrate the Feast of St. Catherine Laboure. We will be honored to have Bishop Senior join us for this Mass.

Each day, there continues to be wonderful things taking place inside and outside our building. Our school is filled with wonderful people who care about the school and the students. They are here for the mission to educate and develop our students. They along with the support of our families, help to make each day successful. We look forward to continuing the next two trimesters with as much activity, engagement, and support.

Peace – Jodi Reagan

A Note from the SCLS PTO President, Leah Adams

Happy November SCLS Families!

Two months into the school year and we are so appreciative of all the amazing support and recognition we have gotten as a new PTO board. We knew we had big shoes to fill and that we wanted to add some more spice to the school year, and we are incredibly impressed with all the fun and involvement we have received. The SCLS family is a true blessing!

The Grandparents Rosary went amazing, it was so nice to see so many people during the rosary and the reception. Thank you to all those that attended and helped make this a success. The School Unity Shirt Sale is now over, and we cannot wait to see the students wearing them! Thank you to everyone who fundraised for the Marianna's Subs and Pizza Sale. Congratulations to the Tran Family on being the top seller and to Mrs. Buchmoyer's KC class on being the homeroom class with the most participation - You Rock!

To kick off November, we are introducing a new fundraiser - Pulaski Candles and we cannot wait! A candle fundraiser was a popular option when the parents were surveyed so we knew we needed to try it! The scents are so unique and fun! Please note that they will be delivered just in time for Christmas, so make sure you get some to check off Christmas lists!

Reminder - the PTO Used Uniform Sale will be on Sunday, November 5th from 8am to 12pm in the cafeteria. Please enter and exit through the gym doors on Derry Street. Remember, you can get credit for bringing in your used outgrown uniforms.

We will be having a PTO General Meeting on Tuesday, November 14th at 7pm in Room 103. All are welcome. We are looking for volunteers and chairs for future events and fundraisers for this year! If you are a current chair and have fundraisers or events coming up between December and February, we encourage you to come to this meeting.

On Friday, December 1st, we are introducing a Parents Night Out event for Kindergarten to 5th Grade students. More details to come. Please see all the flyers for fundraisers and events throughout the newsletter to learn more!

I would like to also remind you that PTO is fundraising towards a new intercom & classroom communication system - speakers, bells, clocks, security, and microphones. We are planning to revamp the entire system since it is from when the building was built. Thank you for all your continued support,
